

**WE
HAVE
INTRODUCED
NEW
URGENT
TREATMENT
SERVICES
QUICKER THAN A&E.**

If you have an urgent injury that is not serious, life or limb threatening, **you first need to contact NHS 111**. They will ask you a number of questions to decide what advice to give you or the most appropriate place to go for treatment which could be either an 8 to 8 Centre or an Urgent Treatment Centre.

**Your nearest Urgent Treatment Centre in the East Riding is:
Beverley Urgent Treatment Centre, East Riding Community Hospital
Swinemoor Lane, Beverley, HU17 0FA**

Open 7am – 11pm daily

Beverley Urgent Treatment Centre is available for walk-in patients.

There is also an Urgent Care Centre at Bransholme.

Your nearest 8 to 8 Centre is:

Withernsea 8 to 8 Centre, Queen Street, Withernsea, HU19 2QB

Open 8am – 8pm daily

You cannot simply walk-in to an 8 to 8 Centre; you need to contact NHS 111 who will arrange an appointment if necessary.
