

PATRINGTON PARISH COUNCIL

Chair: Councillor Claire Holmes

Clerk: Mrs Diane Chapman

**Minutes of the Council Meeting of Patrington Parish Council
Held in Patrington Village Hall on 5th July 2021 at 7.00 pm**

COUNCILLORS PRESENT: Miss C Holmes(Chair), Mr T Bearpark, Mr J Edmunds, Mr D Golby, Mr M Heap, Mr J Kitchener, Mr D Snaith, Mr R Snaith and Mr A Tuniewicz

GUESTS: Ward Councillor Dave Tucker. Mrs L Massey-Davis (left 7.55pm), Mr M Davis (left 7.55pm), Mr B Fox (left 7.55pm), Mrs L Pearson (left 7.55pm), Mr M Watkinson (left 7.55pm), Ms E Grimes (left 7.55pm), Mr K Waterhouse (left 8.05pm) and Mrs J Waterhouse (left 8.05pm)

The Chair opened the meeting and welcomed the guests and gave a verbal report, which is detailed below;

Can I begin by saying how welcome it is to have members of the public present. Every meeting we hold always has a section allocated for members of the public to attend and ask questions. It follows that if there is something you are concerned about or an issue you would like to raise all you need to do is tell the Clerk or myself either in person or in email that you are coming. The reason for that sole requirement is purely so that we can ensure we comply with covid guidance. We actively encourage members of the public to attend meetings and to communicate with the Parish Council.

Sometimes we have agenda items which are emotive or there are mixed views. The purpose of these meetings are to facilitate communication not to persuade anyone to one point of view or another. As individuals, each of us are entitled to our own point of view but when we sit as a parish council we form one body with the aim of representing the whole of the parish. I urge everyone to remember that if two people hold divergent views it does not mean either one of them is wrong only that they approach the issue from different perspectives and the one thing that we all have in common is that everyone at this meeting tonight is here for one reason and that is that we care about our parish and the local area. If we continue to bear that in mind we can explore diverging points of view in relation to any issue whilst remaining respectful of each other at all times.

In relation to the Local Plan Update, it is very important that everyone submit their own individual response. If that reveals that there is an area identified for development and it is undesirable that it be identified for development it is possible to request that the area be deallocated. As an individual you can submit your own point of view according to your priorities whereas any response from the parish council must reflect the needs of the whole of the parish. Any area which wishes to have the potential to grow in the future needs areas to grow into. That will be an important issue to people who want affordable housing but if you are already in your forever home you may be less concerned at rising prices and may be less inclined to favour growth. The consultation is a way of fairly balancing everyone's needs, desires and views. If you are unsure what the plan means or have questions there are opportunities to ask those questions.
